Dear Sir:

This is in response to the Interview Summary mailed on May 2, 2006.

Appreciation is expressed to Examiner Serrou for the courtesy of telephone call on April 29, 2006 to the Brian K. Dutton for the purpose of discussing of the claims. During that telephone call, the Examiner discussed the use of U.S. Patent No. 5,882,202 to Sameth et al. Specifically, the Interview Summary has indicated that a further search will be conducted, and that an Office Action will be sent to Applicant. Appreciation is further expressed for this indication.
